

Maternity Photoshoot Guidelines

Congratulations on your new baby! In-studio or on location, we hope to capture the essence of your pregnancy through posed portraits and candid moments. Though maternity will be the main focus, feel free to bring your family/significant other! If you are interested in capturing moments throughout your pregnancy, including maternity, birthing, and newborn photo sessions, you have come to the right place. Below, you will find tips that may help make your photography experience better. Thank you for giving us this opportunity to capture this special time in your life!

What to Expect:

- The most important thing is to make sure your outfit choice is snug around the belly
- If you are unsure where to look for outfits, there are fairly priced maternity dresses available on Amazon
- If the father of your child will attend, we will be sure to get plenty of photos of the two of you together
 - If you are looking for outfit options, here a few examples from past shoots:

If you are unsure of what to wear, here are the trending colors for spring and summer 2021:
